

Portfolio Manager – Paired Alpha

David J. Cassese, CFA

Portfolio Manager/Analyst, Senior Vice President

Mr. Cassese is portfolio manager for Oppenheimer Capital's Paired Alpha strategy. He joined Oppenheimer Capital initially in 2000, and again in 2005, after an interim period at SAC Capital Advisors in 2004 and 2005 as an analyst on Steven A. Cohen's research team. Previously, he was a Consumer analyst at T. Rowe Price, and an analyst intern at Gabelli & Co, covering Gaming/Leisure/Travel. Mr. Cassese holds a BA in Economics from Duke University and is a CFA charterholder.
