

## Portfolio Manager – Paired Alpha

### **David J. Cassese, CFA**

*Portfolio Manager/Analyst, Senior Vice President*

Mr. Cassese is portfolio manager of Oppenheimer Capital's Paired Alpha (market neutral) strategy, as well as an S&P 500 130/30 seed portfolio. He also specializes in media, communications and consumer research, supporting the firm's large cap core and large cap value strategies. Prior to joining the firm in 2000, he worked at SAC Capital where he supported several long/short strategies, as an analyst at T. Rowe Price focused on consumer stocks and at Gabelli & Co focused on Gaming/Leisure/Travel related stocks. Mr. Cassese, a CFA charterholder, holds a BA in Economics from Duke University.
